Resources to Learn More: Making the Most of Working from Home

A collection of resources for making the most of working from home

COVID-19 #NPTech resources

- ▶ [PrepareRespondServe.org](https://www.preparerespondserve.org): “Jump start”, low-cost resources, telework policy sample
- ▶ **From TechSoup:**
 - COVID-19 resource: page.techsoup.org/covid-19-resources
 - Nonprofit Security page: page.techsoup.org/nonprofit-security
 - Fundraising during C19 page: blog.techsoup.org/posts/fundraising-in-the-time-of-covid-a-techsoup-roundup
 - Disaster Planning resources – techsoup.org/disaster-planning-and-recovery
- ▶ Free LinkedIn Learning courses for C19:
 - learning.linkedin.com/blog/linkedin-learning-resources/free-linkedin-learning-resources-to-help-you-navigate-the-impact
- ▶ Microsoft COVID-19 resource guide for nonprofits: microsoft.com/nonprofit

Helpful Podcasts for Keeping Up with Technology

Find these on Apple podcasts or Stitcher (apps on your phone), and possibly in other podcasting apps!

- ▶ **“Bite-sized” options:**
 - Marketplace Tech (by American Public Media) – ~10 min daily
 - WSJ Tech News Briefing (by Wall Street Journal) – ~10 min daily
- ▶ **“Meal-sized” options:**
 - sgENGAGE (by Blackbaud) – 20-30 min
 - Using the Whole Whale Podcast (by Whole Whale) – ~30-45 min

General #NPTech Resources – Pandemic or Not!

- ▶ www.idealware.org and www.techimpact.org – Reports, webinars, and blog posts that often compare features and providers of popular nonprofit software. Great “Texting for Nonprofit Service Delivery” report by Idealware.
- ▶ [www.TechSoup.org](https://www.techsoup.org) – Access discounted products & services, but also a trove of useful resources including webinars and a Microsoft Digital Skills Center to help you make the most of your Microsoft software
- ▶ www.nten.org – More articles and webinars, but also have a free online assessment called “Tech Accelerate” to help you assess your organizations current state of technology use
