

Inaugural Grant Awards

In May 2021, the Glastonbury Greater Together Community Fund made inaugural grants to six community organizations to address pressing issues in their community and benefit Glastonbury as a whole. Click here to see further details about these grants.

- **[Community Health Resources, Inc.](#)** has received a \$6,000 grant for behavioral health services for children and teens.
- **Glastonbury Links Together (Congregation Kol Haverim Inc., sponsoring organization)** has received a \$15,000 grant to support the creation of a free choice food bank in Glastonbury.
- **[Historical Society of Glastonbury](#)** has received a \$1,700 grant to support accessibility to an exhibit on the Wangunk Tribe.
- **Resonate ([Irvine Lights](#), sponsoring organization)** has received a \$500 grant to support music opportunities for students in Glastonbury with financial hardship.
- **[Talk-Truth in Action With Love & Kindness](#)** has received a \$1,000 to support the creation of pollinator pathways designed to connect pollinator species.
- **[UR Community Cares, Inc.](#)** has received a \$3,000 grant to support a home-based service program, focused on older adult residents as well as residents with physical disabilities.

Awarded organizations can use the below form at the end of their grant period to report on the use of their funds.
