

What inspires you?

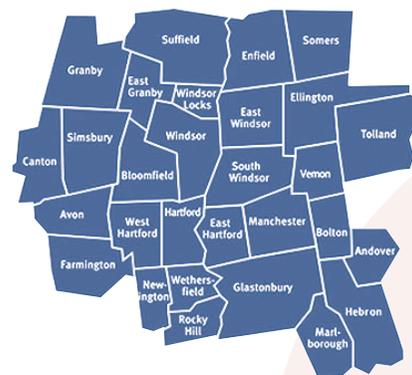

What causes or issues are you passionate about?

What is your vision for the community?

How do you want to be remembered?

These are just a few of the questions we ask every donor at the beginning of our conversation.

As your giving partner, we will work closely with you to customize a giving plan that suits your specific situation and objectives. And as a donor, you will have access to a range of services that can sharpen the focus of your giving and increase the impact of your efforts.

Our mission.

Putting philanthropy into action to create lasting solutions that result in vibrant communities within the Greater Hartford region.

We invite you to start the conversation.
